

NATIONAL BUILDINGS CONSTRUCTION CORPORATION LIMITED
(A GOVT. OF INDIA ENTERPRISE)
TRENCHLESS TECHNOLOGY SECRETARIAT

NO:NBCC:TTS:INDSTT.MOA:97:

DATED:24.10.97

As desired by CMD.

The proposed draft Memorandum of Association and rules and regulations of the Indian Society for Trenchless Technology (INDSTT) has been vetted by Manager (Law) Copy enclosed.

Before we take action for getting the Society Registered, procedurally it is suggested that we may call a General Body Meeting and may get the Memorandum of Association and rules and regulations passed in it. although the society can also be registered without this. Chairman, INDSTT may like to decide on the above aspect.

The financial implication for getting the Society Registered would be around Rs.3,000/- which includes the Court Fee, Lawyer Fee and other misc. expenses.

Submitted for kind perusal and approval of ^{Chairman INDSTT} CMD please.
